September 7- Donna  
Coleman, Monica Kot

***The Next Meeting: Sunday August 3, 2008 – 2 PM at St. Augustine Church***

***Special Meeting to plan and prepare for the October 4<sup>th</sup> and 5<sup>th</sup> Show & Sale at Beaver Lake.***

Co-President John Bradley hopes that all of you and your plants had a good summer, and that all of those who attended the picnic at Rick's had a good time.

Since the purpose of this meeting is to prepare for the Show and Sale, Charles Ufford suggested that every one brings as many flowering plants as possible, and that those who have the boxes and black drapes for show set-ups should bring them also. With these props, the members can break up into teams, and do some trial runs of set-ups. This will teach the basics, so that more members become familiar with some of the techniques, and will be able to participate in show set-ups.

We will also distribute the varied tasks necessary to “put the Show on the road.”

Among other topics for discussion:

Should the mailing list include members' work related specialties? It seems like a good idea to have someone in the club to ask for needed services.

Should the current issue of the newsletter only be available to paid members, and thus not be posted on the website until it is a month old.
