NEXT MEETING: June 5, 2022 - 2pm Program: Annual Auction & Picnic

We had a great auction last year! The set up this year is similar. Some requests were put out to nurseries across the country to ask for donations to our biggest fund-raiser of the year. Two shipments are on their way to be received this week. Another shipment heads this way tomorrow. Along with these plants, members are urged to donate plants or supplies just as you would for a Silent Auction, but we will have an auctioneer so that we can maintain distancing. Make an assessment of your collection and bring something to share.

We'll also be sharing picnic fare! Bring a dish to pass (made safely at home or bought from a grocery). Please bring your own beverage and table settings. Business will be very short while we eat. Bring What's Blooming! for the show table. Then we'll get into the auction program so everyone will have a few minutes to look over what's available before we start. Payments will be by Cash or Check.

REMINDER:

NO MEETINGS in JULY or AUGUST!!

We Start Meetings Again In September!!

Have a wonderful Summer!!!

Vendor List:

Our auctions and shows have benefited greatly from the generosity of the following vendors. When shopping for new orchids and supplies, please check them out first!

UPDATED * CNYOS FALL SHOW ~ Oct 1 - 2, 2022 *****

Hours: 1 PM: Friday, Sept 30 - Set up
 Noon - 5: Saturday, Oct 1 - Show open
 10 - 4: Sunday, Oct 2 - Show open, clean up

Progress has been made with preparations for our club sponsored show as we used to do it.

I now have all 5 accredited judges confirmed and can go ahead to register the show with the AOS, plus order the AOS Trophy.

Our Vendors are also all confirmed. They are Fair Orchids, J&L Orchids, and Main Street Orchids. As most of you know, we lost 3 of our vendors from our last show in 2019 due to retirements or sale of their businesses. I had started from scratch but then Main St decided they could add us back into their schedule so they'll be returning.

I did a double check on the venue, Beaver Lake Nature Center, and that is in the book there. Set up Sept 30. Show on Oct 1-2, 2022

Advertising is ready to progress when the show is closer. Road signs are ready; only need their holders. All area Garden Clubs will be covered. Now that I have the vendors confirmed, they will be listed on our flyers and printed so all members can distribute locally.

GROS and STOS will both be setting up displays. Our Photographer will be Charles Ufford, as before. Committees are being formed so feel free to contact these members if you can help them in any way.

- ~ David Ditz: Advertising, Trophies and Ribbons, Head Clerk.
- ~ Jan Woodworth: Advertising (road signs), and Garden Club contacts.
- ~ Judi Witkin: Hospitality Front Desk and Raffle Coordinator
- ~ Jerry Finger: Food Room for Workers Coordinator
- ~ Sue Finger: Registrar, Judges Coordinator, Vendors and Clubs Coordinator, Venue Contact for BLNC, Show Treasurer, Update of Rules and Schedule.

There are committee openings for Set-up of the show room tables on Friday, & Room Monitors for the show days on Saturday and Sunday.

If anyone can host a Judge overnight or a Vendor for 2 nights, please call or email Sue Finger

If anyone has a question, feel free to email me. I usually can reply within a day.

Old Business:

~ April 1-3. The GROS show was set-up by Jerry, Sue, Jan, Sarah and Judi. Weather made traveling difficult on Friday but set-up went smoothly. Unfortunately during take down on Sunday Sue tripped on a rug and took a nasty fall. She was bruised and ended up in ER but she saved the plants she was carrying!!

~ April 8-10. SEPOS was much smaller this year but just as beautiful. Lots of fabulous vendors too.

~ April 22-24. The STOS show was set-up by Sue, Jan, Sarah and Judi. Jerry and Donna set-up the African violet show held that same weekend at Beaver Lake.

New Business:

~ June 5 is our annual picnic and auction. Members are encouraged to donate plants for the auction as well as bring a dish to pass. Sue is contacting vendors and asking for plants.

~ No meetings for the summer. Our next meeting will be September 11 to discuss and plan our show at the end of the month. Members will be encouraged to sign up for show jobs. Sue has already lined up the judges for the show. She also has J&L Orchids, Mainstreet Orchids and Fair Orchids to vend in the show. She has done a tremendous amount of work for the show and our club!

~ September 30th is show set-up. The show runs through Oct.1-2.

~Our show table was presented.

~Our speaker was Art Chadwick from Chadwick & Son Orchids, Inc. He presented a fabulous and informative talk on large flowered Cattleya species and some hybrids.

~ Meeting adjourned around 3:45.
